PETITION

Applicants hereby respectfully petition the Commissioner to accept the payment of the first maintenance fee after the expiration of the U.S. Patent No. 5,682,074 to DiPietro, et al. in that the late payment was unavoidable.

Applicants further petition the Commissioner to waive the late payment surcharge fee for unavoidable delay because the reasons for the unavoidable delay are the result of problems with the United States Postal Service and mail delivery to the United States Patent and Trademark Office.

REASONS FOR UNAVOIDABLE DELAY

1. U.S. Patent No. 5,682,074 to DiPietro, et al. (the "Patent") was issued by the United States Patent and Trademark Office on October 28, 1997. The patent has been assigned to SatCon Technology Corporation, a small entity.
2. The first maintenance fee was due on April 28, 2001 but no later than October 28, 2001 with the payment of a surcharge.
3. Applicants deposited a maintenance fee transmittal form duly signed, a certificate of mailing duly signed, a check in the amount of \$505.00 for the maintenance fee and surcharge for a small entity, and an acknowledgement postcard, with the United States Postal Service on October 26, 2001. See Appendices A and B.
4. Applicants received a Notice of Patent Expiration dated December 4, 2001 on December 17, 2001, indicating that no payment had been received. See Appendix C.

5. Applicants confirmed with their accounting personnel on December 17, 2001 that check no. 705785 had not been processed and was still outstanding.

Accordingly, Applicants believe that the delay was unavoidable and, further, not the fault of the Applicants. Thus, Applicants respectfully petition the Commissioner to accept payment of the issue fee after expiration of the patent and, further, to waive the surcharge for unavoidable late payment.

If it is determined that this Petition has been filed under the wrong section/ paragraph of Rule 378, then the USPTO is requested to consider this Petition to be under the proper rule. Also, if the USPTO requires further information or additional clarification in support of the grant of the within Petition, then Applicants respectfully request that the undersigned be contacted.

PETITION FEES

Enclosed herewith please find a check in the amount of \$1,205.00 in full payment of the maintenance fee for a small entity, the 6-month late payment surcharge for a small entity, and the surcharge for unavoidable late payment.
